

When businesses know they're protected, their opportunities have **no boundaries**.

Clients with international business interests often face risks that aren't covered by standard policies. To help them manage these unique exposures successfully, you need access to an expert team and solid, world-class solutions.

For more than 200 years, we've provided exceptional service to our brokers and policyholders. Our Global Credit and Political Risk Solutions team is committed to being a partner who works with you to meet your goals.

Expert teams uniquely qualified to support your clients.

Our dedicated team of political risk underwriters provides corporations and private equity firms with world-class political risk insurance policies. These policies help protect investments against various political risks such as expropriation, political violence and currency inconvertibility.

Our dedicated team of credit insurance underwriters works with financial institutions, export credit agencies and multilateral development banks to help craft insurance policies that provide non-payment coverage on trade and export finance exposures so that they can:

- Provide the capacity their clients demand without requiring a syndication of the risk to their competitors
- Manage overall counter-party and country aggregates
- Achieve regulatory capital relief for the exposure

The Global Insights Center is an exclusive research hub overseen by a senior economist, offering analysis on macroeconomics, geopolitics and sectoral risks.
