

Cyber Services Portfolio

The NIST cybersecurity framework forms the basis of our approach to cyber risk.

Govern

Identify

Protect

Detect

Respond

Recover

A holistic approach to cyber risk. As a policyholder, your organization has access to cybersecurity best practices and resources, as well as employee training and education to help reduce your organization's risk while ensuring delivery of its critical services.

1. Establish Cybersecurity Governance

Arete, a leader in cyber risk management, provides tailored Cybersecurity Assessments & Framework Compliance consultations to analyze holistic programs or specific functions of a security program, including security operations centers, secure software application development lifecycles, and governance or risk compliance programs. Assessments can be performed against a cybersecurity framework, including NIST CSF & SP 800-53, ISO 27001, CIS, SOC 2, HIPAA, NIST AI Risk Management Framework (AI RMF), and ISO 42001. Complimentary consultation with Arete available to all policyholders of The Hartford. [More»](#)

2. Identify Your Risks

Bitsight Security Ratings

These ratings measure an organization's cybersecurity performance based on objective, verifiable information. Bitsight is the most widely adopted security ratings platform in the world. Complimentary for all policyholders of The Hartford. [More»](#)

Consultation with a Data Privacy and Cybersecurity Attorney

Help your organization review and prioritize its privacy and cybersecurity strategy with help from select law firms. Complimentary for all policyholders of The Hartford. [More»](#)

Third-party Vendor Contract Review

Third-party service providers discussed herein, though not affiliates of The Hartford, are pre-approved by The Hartford to provide cyber-related services. You are not required to avail yourself of their services. Sharing any information with any such vendor is at your sole discretion. References to any vendor are provided for your convenience only and are not intended as a substitute for your own due diligence and selection of vendors to suit your company's needs. The vendors are independent contractors that charge their own rates. Discounted rates offered by any vendor are not offered by The Hartford, nor on any premium for a policy of insurance. Any such vendor discount is subject to change without notice and is not guaranteed by The Hartford. The Hartford does not warrant the performance or services of the vendors or their websites. The Hartford assumes no responsibility for the control, correction or legal compliance of your cyber security measures or other business practices and operations. Notice of any claim, act, fact or circumstance to a vendor does not constitute notice thereof to The Hartford. Approved vendors are current as of July 2026 and may change at our discretion at any time, with or without notice.

The Hartford Insurance Group, Inc., (NYSE: HIG) operates through its subsidiaries, including underwriting company Hartford Fire Insurance Company, under the brand name, The Hartford®, and is headquartered at One Hartford Plaza, Hartford, CT 06155.
