A carrier that's a real pro with CyberChoice Professional Liability coverage is good for business.

We make it our business to know your client's business. That's why our professional liability coverage is the right choice for a wide range of professional businesses. It starts with our experienced underwriters who have specialized knowledge in a particular industry. Their expertise brings a better understanding of what those businesses face, allowing us to develop solutions tailored for their unique needs. Our underwriters also have significant authority, handling new and emerging risks and delivering the quick turnarounds you need. So you can feel confident in the coverage you're providing while you build long-term partnerships with your clients.

Program Highlights

- Eligible professional services company categories include: advertising agencies, associations, call centers, consultants, manufacturers, marketing agents, printers, recruitment and staffing firms, translators and trustees
- One single policy for professional services liability, media liability, first and third-party cyber and technology liability
- Limits up to $5,000,000 – primary or excess
