The Global Insights Center (GIC) is an exclusive research hub that provides in-depth analysis of macroeconomics, geopolitics and sectoral risks. We go beyond the headlines, examining causes, effects and forecasts to offer actionable insights for clients and underwriters alike.

The resources we publish are designed to help global businesses gain a deeper understanding of the trends that shape the world economy – leaving them better prepared to navigate challenges and maximize opportunities found around the world.

Resources Available

- **Monthly Newsletters** – The GIC staff reviews and dissects the month's global economic and geopolitical news to help clients understand and leverage what's happening in the worldwide market. [Sign up](#) to receive these insights today.
- **Country Scores** – Are you working with multiple clients around the world? We create bi-annual maps that score countries on their level of risk associated with economic, sovereign, violence or other country-level factors.
- **Insightful Articles** – Timely articles delivering in-depth analysis to share with clients. Supporting a deeper understanding of the trends shaping the global economy.
- **Event Speaking Opportunities** – Members of the GIC leadership team are available to participate in select broker and client events, sharing insights on global economic and geopolitical trends and their impact on today's market. Content can be customized based on audience and topic needs.
