policies (and growing)**

4,300

The Hartford Global Insurer Network

Get localized coverage solutions in more than 220 countries and territories for virtually all coverage products through our directly-managed network of insurers. Our teams work with you at every step to ensure a consistent global experience and help local operations get back to business quickly after a loss.

- Pricing, terms and conditions are established centrally
- Local policies implemented by a team of network coordinators
- Claims are managed by our dedicated international claims handling unit

The Hartford Global Online (GO) Portal

Our proprietary trading platform provides real time cloud-based collaboration among involved parties, providing customers with access to the data they need to make informed coverage and claims decisions.

- Available to agents, brokers and customers for fully transparent local policy implementation
- Access to underwriting, instruction issuance, claims, policy documents, certificates, invoices and account information
- Key performance indicators by program, country and local office
