

WITH THPA, COORDINATING THE CLAIM PROCESS IS EASIER FOR EVERYONE.

The Hartford Productivity AdvantageSM (THPA)¹ coordinates claims services and combines absence reporting across Workers' Comp, Leave Management and Disability to make the claim process easier and faster.

> CLAIM PROCESS WITHOUT THPA

Administrative Burden: High

Average Time Per Claim: 55 Minutes

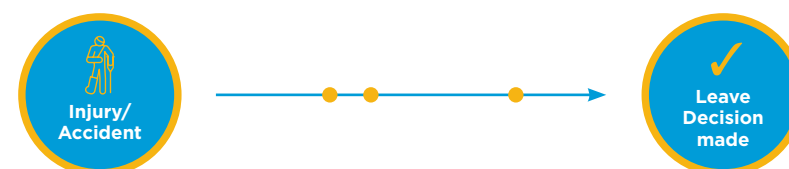

This is a high-touch process for the employer, from the initial claim through the decision. It requires multiple touch points for the Risk/Safety and Benefits Teams and presents increased compliance risk if Leaves are not reported and tracked properly.

> CLAIM PROCESS WITH THPA

Administrative Burden: Low

Average Time Per Claim: 13 Minutes

With THPA, we handle the claim process from start to finish upon receipt of the Workers' Comp claim. This removes the burden on the employer and employee and lessens the compliance risk.

→ 76% LESS TIME SPENT on individual claim coordination efforts by employers with THPA.²

THPA COORDINATES THE CLAIM PROCESS SO YOU DON'T HAVE TO.
